change of sea color,
is sky mood
however far they are
however close they were

Hello we
Halloween
Jumbled by a corpse
shivering teeth talk to each other
May I be your future
Or sweet venture

40

In slow shallow brook
You can step on a rock
In valley rushing torrent
A rock can break your neck

36

Trembling fingers
Can't hold air of rising-temperature

Energy keeps coming out
From centuries of supression and aspire

Definitely won't stay here
shall walk forward and further

29

although you missed the last comedy
Who's the clown is not important
Smile can always be that wide
