## **Balloons on the Floor**

Balloons on the floor  
Deflate me.  
Was that your intention?

## **Money is Good**

Money is good.  
You can't have a  
Martini  
Without it.

## **I Say We Have Fun**

I say we have fun,  
Dammit.  
Like maybe  
Chase the cat  
Into a corner.  
There's three of us  
And only one of him.

## **Let's Talk**

About perfume bottles.  
Aren't they  
Fucking amazing?
